Welcome to MasterCare in Home Service Providers. **We are here to help you retain your independence with dignity.** That means the ability to continue to live in your own home, wherever that may be, with a little assistance or more as needed. **We're here when you need us, with a true caregiver's heart.**

The first step is to **contact MasterCare for your complimentary in-home assessment.** During the assessment with you and/or your family we will discuss questions that help us determine what your needs are.

After the assessment, MasterCare will develop a comprehensive plan of care that is personalized to meet your needs. This will include specifics such as personal care, household care, healthcare and activities your personal assistant will be delighted to perform for you in the comfort of your home, such as, but not limited to:

- Personal Care, Dressing, Bathing, Toileting
- Light Housekeeping, Laundry, Linen Changes, Vacuuming
- Meal Preparation, Grocery Shopping, Running Personal Errands

MasterCare will match you with a care provider based on experience, skills and personality. You are important to us, and should always feel free to call us with any questions or concerns you may have with how your care is being provided.
